

Family Allergy & Asthma Care Consultants, LLC

Shankar Lakhani, MD

Diplomate, ABAI, ABP

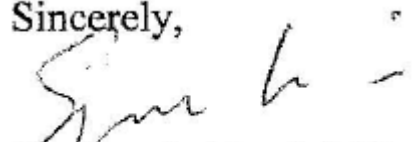

Renee Cummins, PA-C

Board Certified Allergy & Asthma Care

02/24/2021

Family Allergy & Asthma strives to meet the needs and continuing care of our patients. We request a 48 hour notification of any changes to your appointment. Due to an increase in "No Show", late cancellations and reschedules, **effective 3/1/2021**, if you have an appointment and fail to give the required 24 business hours notice for cancellation or reschedule or no show, there will be a **\$35.00** fee. This fee is not covered by insurance and will be **due before you are able to schedule another appointment** with our office. During this time of pandemic we will take into consideration cancellations relating to COVID, illness and emergencies. Thank you for your understanding.

Sincerely,

Shankar Lakhani, M.D.

I acknowledge that I have received and read the cancellation policy.
